

2348-00xx Packaging bags with closure LDPE

Certificate of Compliance

for packaging materials, packaging aids and articles intended to come into contact with
foodstuffs

Our supplier confirms that the materials and articles listed above are suitable as food packaging according to Article 1 (Purpose and subject matter) of Framework Regulation (EC) 1935/2004.

The materials and articles supplied comply with the requirements of the general following legal regulations (in each case including all amendments and in the version that is valid at the date of issue of this certificate):

Regulation (EC) No. 1935/2004
Regulation (EC) No. 2023/2006
German Food and Feed act (LFGB) as of 01.09.2005
German Commodity Ordinance as of 23.12.1997

The restrictions for evaluated substances (SML, QM, QMA, ND) in the Union list of Regulations (EU) 10/2011 and Directive 2007/42/EC in connection with the German Bedarfsgegenständeverordnung (BedGgStV), are met under the test conditions given. Migration test results are expressed according to Article 17 of Regulations (EU) 10/2011.

The following "dual use" additives substances are concerned:Talk, Siliconöl, Glycerol, Siliziumdioxid, Kieselsäure, Calciumcarbonat, Calciumstearat.

This document has been translated for informative purpose. In case of doubt the German version is valid.

The declaration is based on our current state of knowledge and information provided by our supplier at the time that the document was drawn up. The supplier – Bürkle GmbH in Bad Bellingen/Germany – is certified according to the standard DIN EN ISO 9001 by the DQS (German Society for Quality Assurance) since 1995. The number of certificate is 2284-08.
